Grosvenor Australia Pty Ltd

June Edition

What's new?

This month Grosvenor Australia Pty Ltd we will be celebrating the completion of various projects. These include our projects at Optus Macquarie Park and at Maersk. The team has done a great job in completing these projects with the highest of standards, in true Grosvenor fashion.

reputation of servicemen of immense class and talent for what we do.

Growing the team

Grosvenor is also looking to expand our factory team. We are looking for Glaziers and Aluminum Fabricators. Any interest can be submitted on our online 'About Grosvenor'

Upcoming Projects

Keep an eye out for pictures of our recently completed work at 100 William Street. These images will be found in the Grosvenor 'Gallery'.

Grosvenor Team

The team has also developed our 'broken panel' challenge, which has seen the crew going almost over a month without breaking a panel of glass. No easy feat in the 'fragile' business we work in.

Our team has already had two BBQ's to reward our workers for the great efforts they have put in to uphold Grosvenor's

page.

Upcoming projects

Keep an eye out for pictures of our recently completed work at 100 William Street. We have also done some exciting work for Maersk. The Grosvenor Team even went on a road trip to Armidale to complete works which will be found in the Grosvenor 'Projects' page.

Social Space

Grosvenor have now extended their social media outlets but creating an instagram account. Follow us at GrosvenorAus for instant new project process pictures and just as jobs are finished. We want you to have a firsthand look at the brilliant service the Grosvenor provides for all of our clients.
